### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: In regard to claim 1, the prior art fails to provide, teach or suggest an outer body having a series of clearance layers therein that are defined by an inner wall of the outer body, wherein each clearance layer within the series of clearance layers has an associated diameter, and wherein the header is connected to a first portion of the inner wall via a solder joint that extends from the lower lip portion of the header to the first portion of inner wall, the first portion of the inner wall having at least one diameter. In regard to claim 15, the prior art fails to provide, teach or suggest having the step of placing the header within the outer body resulting in a first step defined by a first space located between the header and the first clearance layer, a second step defined by a second space located between the header and the second clearance layer, and filling the second step and the first step with solder.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
